

OPPEL^RA^RK^K 2 SANDER

OPPEL^RA^RK^K 2 SANDER

Please cut and stick to the potato crisps box!

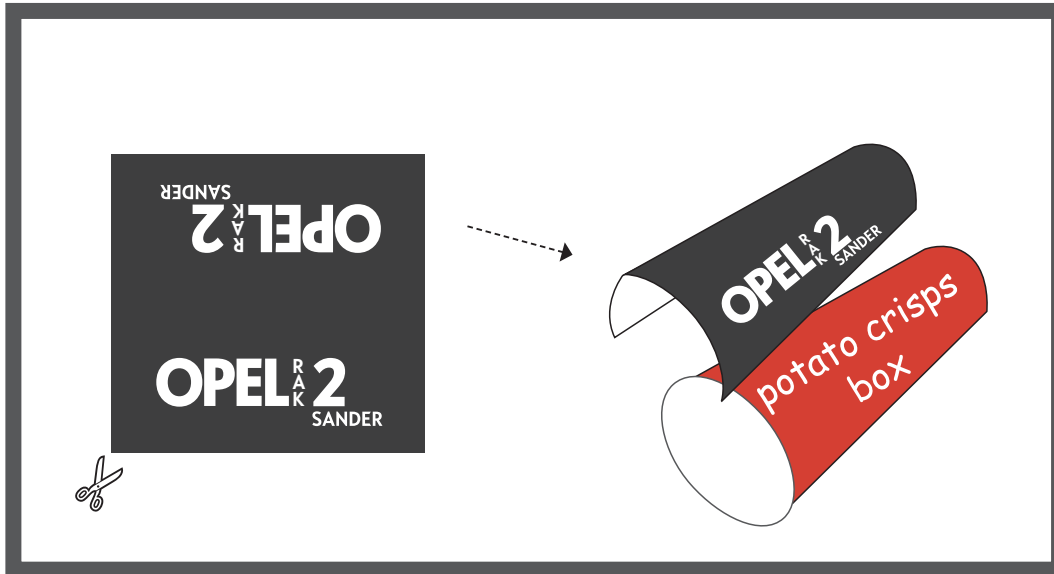

You need:

1 potato crisps box
4 lids (for example, from
potato crisps boxes)

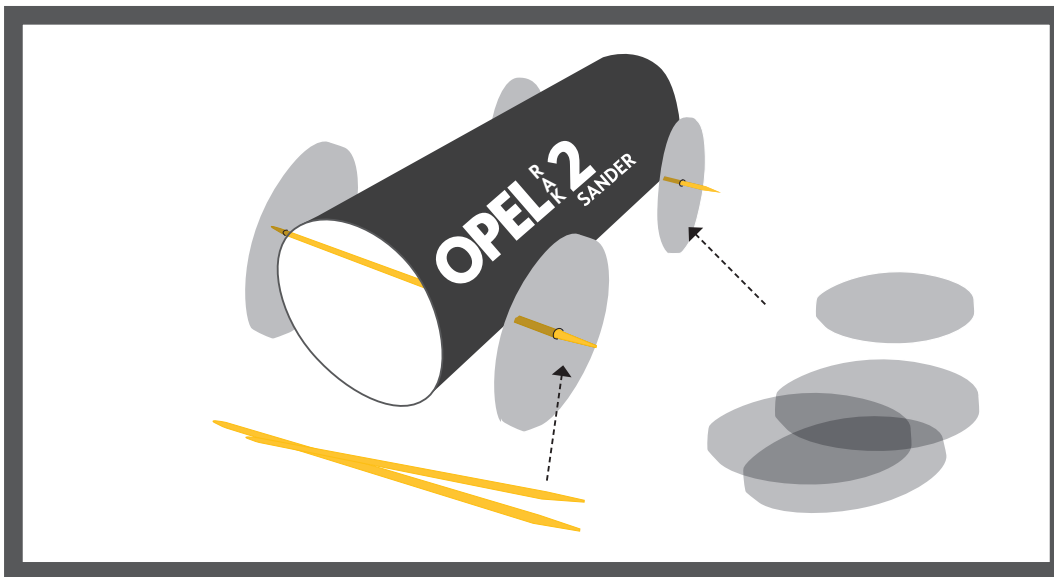

2 wooden rods
1 balloon
cellotape

printout „opel rak 2“
stickum
scissors

1.

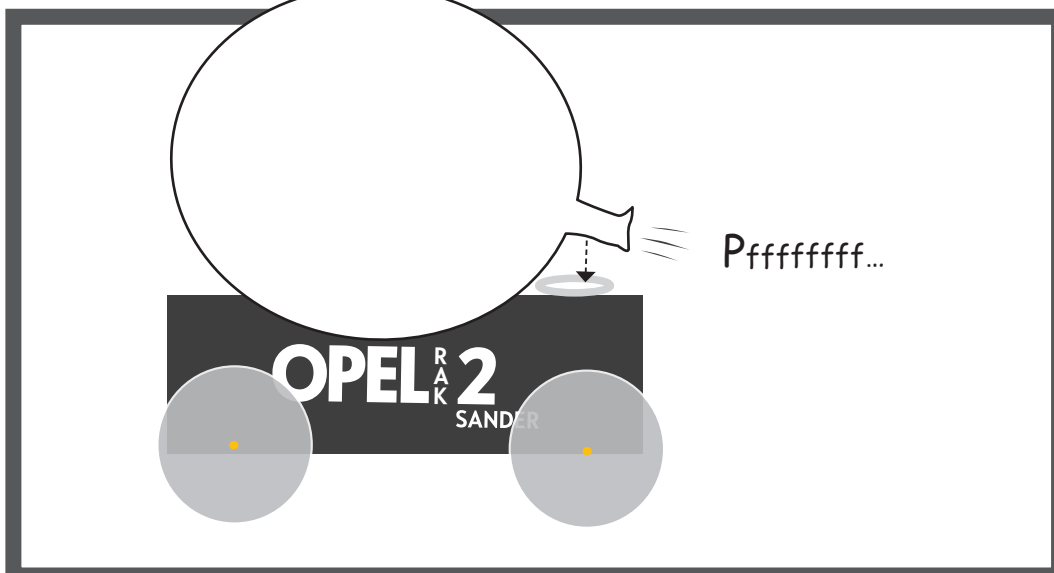

Cut out template and stick it on the potato crisps box.

2.

Drill the holes in the box and the lids.

Put wooden sticks through it.

3.

Stick a 2-sided cellotape at the rear end and fix the inflated balloon.

Release and let it accelerate to 238 km/h.
